Non-Agenda Items
- None.

Old Business
- March Treasurer's report and Minutes of March meeting approved unanimously.

New Business
- Dennis will be working on the trap machines, especially 2 and 5. Jim said the 100 range has had 4-7 shooters each open day. Jared indicated that he and several others have been working on the SC fields, seems like there are several problems with numerous batteries, we may need to purchase a dozen or more. Jared is working with a contact fro quality batteries at a lower cost.
- Gene arranged a Zoom meeting with Cherel and Scott to discuss the possibility of us hosting the Western Zone shoot on July 18-20 with Scott making all the arrangements as Scott's range cannot hold that shoot. After numerous discussions a motion was presented to allow Scott to run that shoot at NASR, he would pay $.19/target, $100 fee daily and arrange to have the porta potties pumped either before or after the weekend. This was approved unanimously.
- Gene then said he didn't want to change his SC shoot scheduled for that same weekend so Canyon Clays will throw that event that same weekend.
- We discussed another clays order and Gene agreed to contact Homer and Iron City about charges.
- We then discussed 4H and we're still waiting to hear from them as they haven't sent in the User agreements Tom sent Erik earlier in April. Gene will follow up with them. Jared indicated that Kim Nicolls planned a 4H practice for this coming weekend and Jared said she may be the agreements.
