- Ron brought up the Friends of the NRA grant cycle now being open and Jared agreed to work with Lee Amorosa on submitting a grant for additional SC machines.
- Ron also said that during the 3 months, June through August, we had 163 shooter days on Sundays, roughly 20% of the 570 total days during this period. If enough volunteers are willing, we plan to open on Sunday in 2026 for that 3 month period.

Old Business

- August Treasurer's report and Minutes of the August meeting approved unanimously. With the recent influx of revenue Tom recommended that we pay the entire \$20K invoice for clay targets from our bank account. Tom to notify Lou to pay.

New Business

- Jared reported that both T/S and SC have been operating well recently. Seems that there are more trap shooters this year than in the past.
- Jim reported that he'll clean out the base of the 50 and 100 yard berms as the dirt has been sluffing down. He also reported that he's repaired the crows feet target holders on the 50 yard range. **Correction on minutes; What i said was the dirt may need to be pushed back on the berms in the spring. I have done it in the past and can do it again if needed. I also put millings at the base of the flag access steps. Jim Timney**
- Ron mentioned that he'll be gone between Sept. 20th and October 10th and asked Tom to submit the monthly shooter report to G&F.
- Bill Townsend, a new member, introduced himself as a long time G&F volunteer and offered his services to the our organization. Jared will coordinate with Bill for volunteer activities.
- We tabled the discussion on the camping policy until the October meeting but most were supportive of the draft poicy Tom provided.
